FOREWORD

To the students of El Paso High School we pay tribute, for these students are El Paso High School. As they go about their daily tasks of work and play, they give life to the school. Old students graduate and new students enter in a never ending cycle. We hope that the Spur may, in some measure, preserve a phase of this cycle.

Dear Diary,

Well I finally made it. I'm a senior and soon I will be a graduate. It took three long hard years to become a senior. When I was a Soph I crammed only for tests and my lessons every night. I studied when I was a junior, I found other things to study, most of the time. Now I'm a senior I've longer. I've had my ups and downs it a little and quite a few of them, but I endure it and I've made it this far, I guess I can soon I'll be through. There have been many crucial moments in my life but I've faced them bravely. I have participated in some school activities and became well acquainted with the faculty and I am sure they will be as sorry to see me go as I will be to leave. Now I close dear diary, my high school life about ended. It was fun —

Sincerely,

"Eager Beaver"

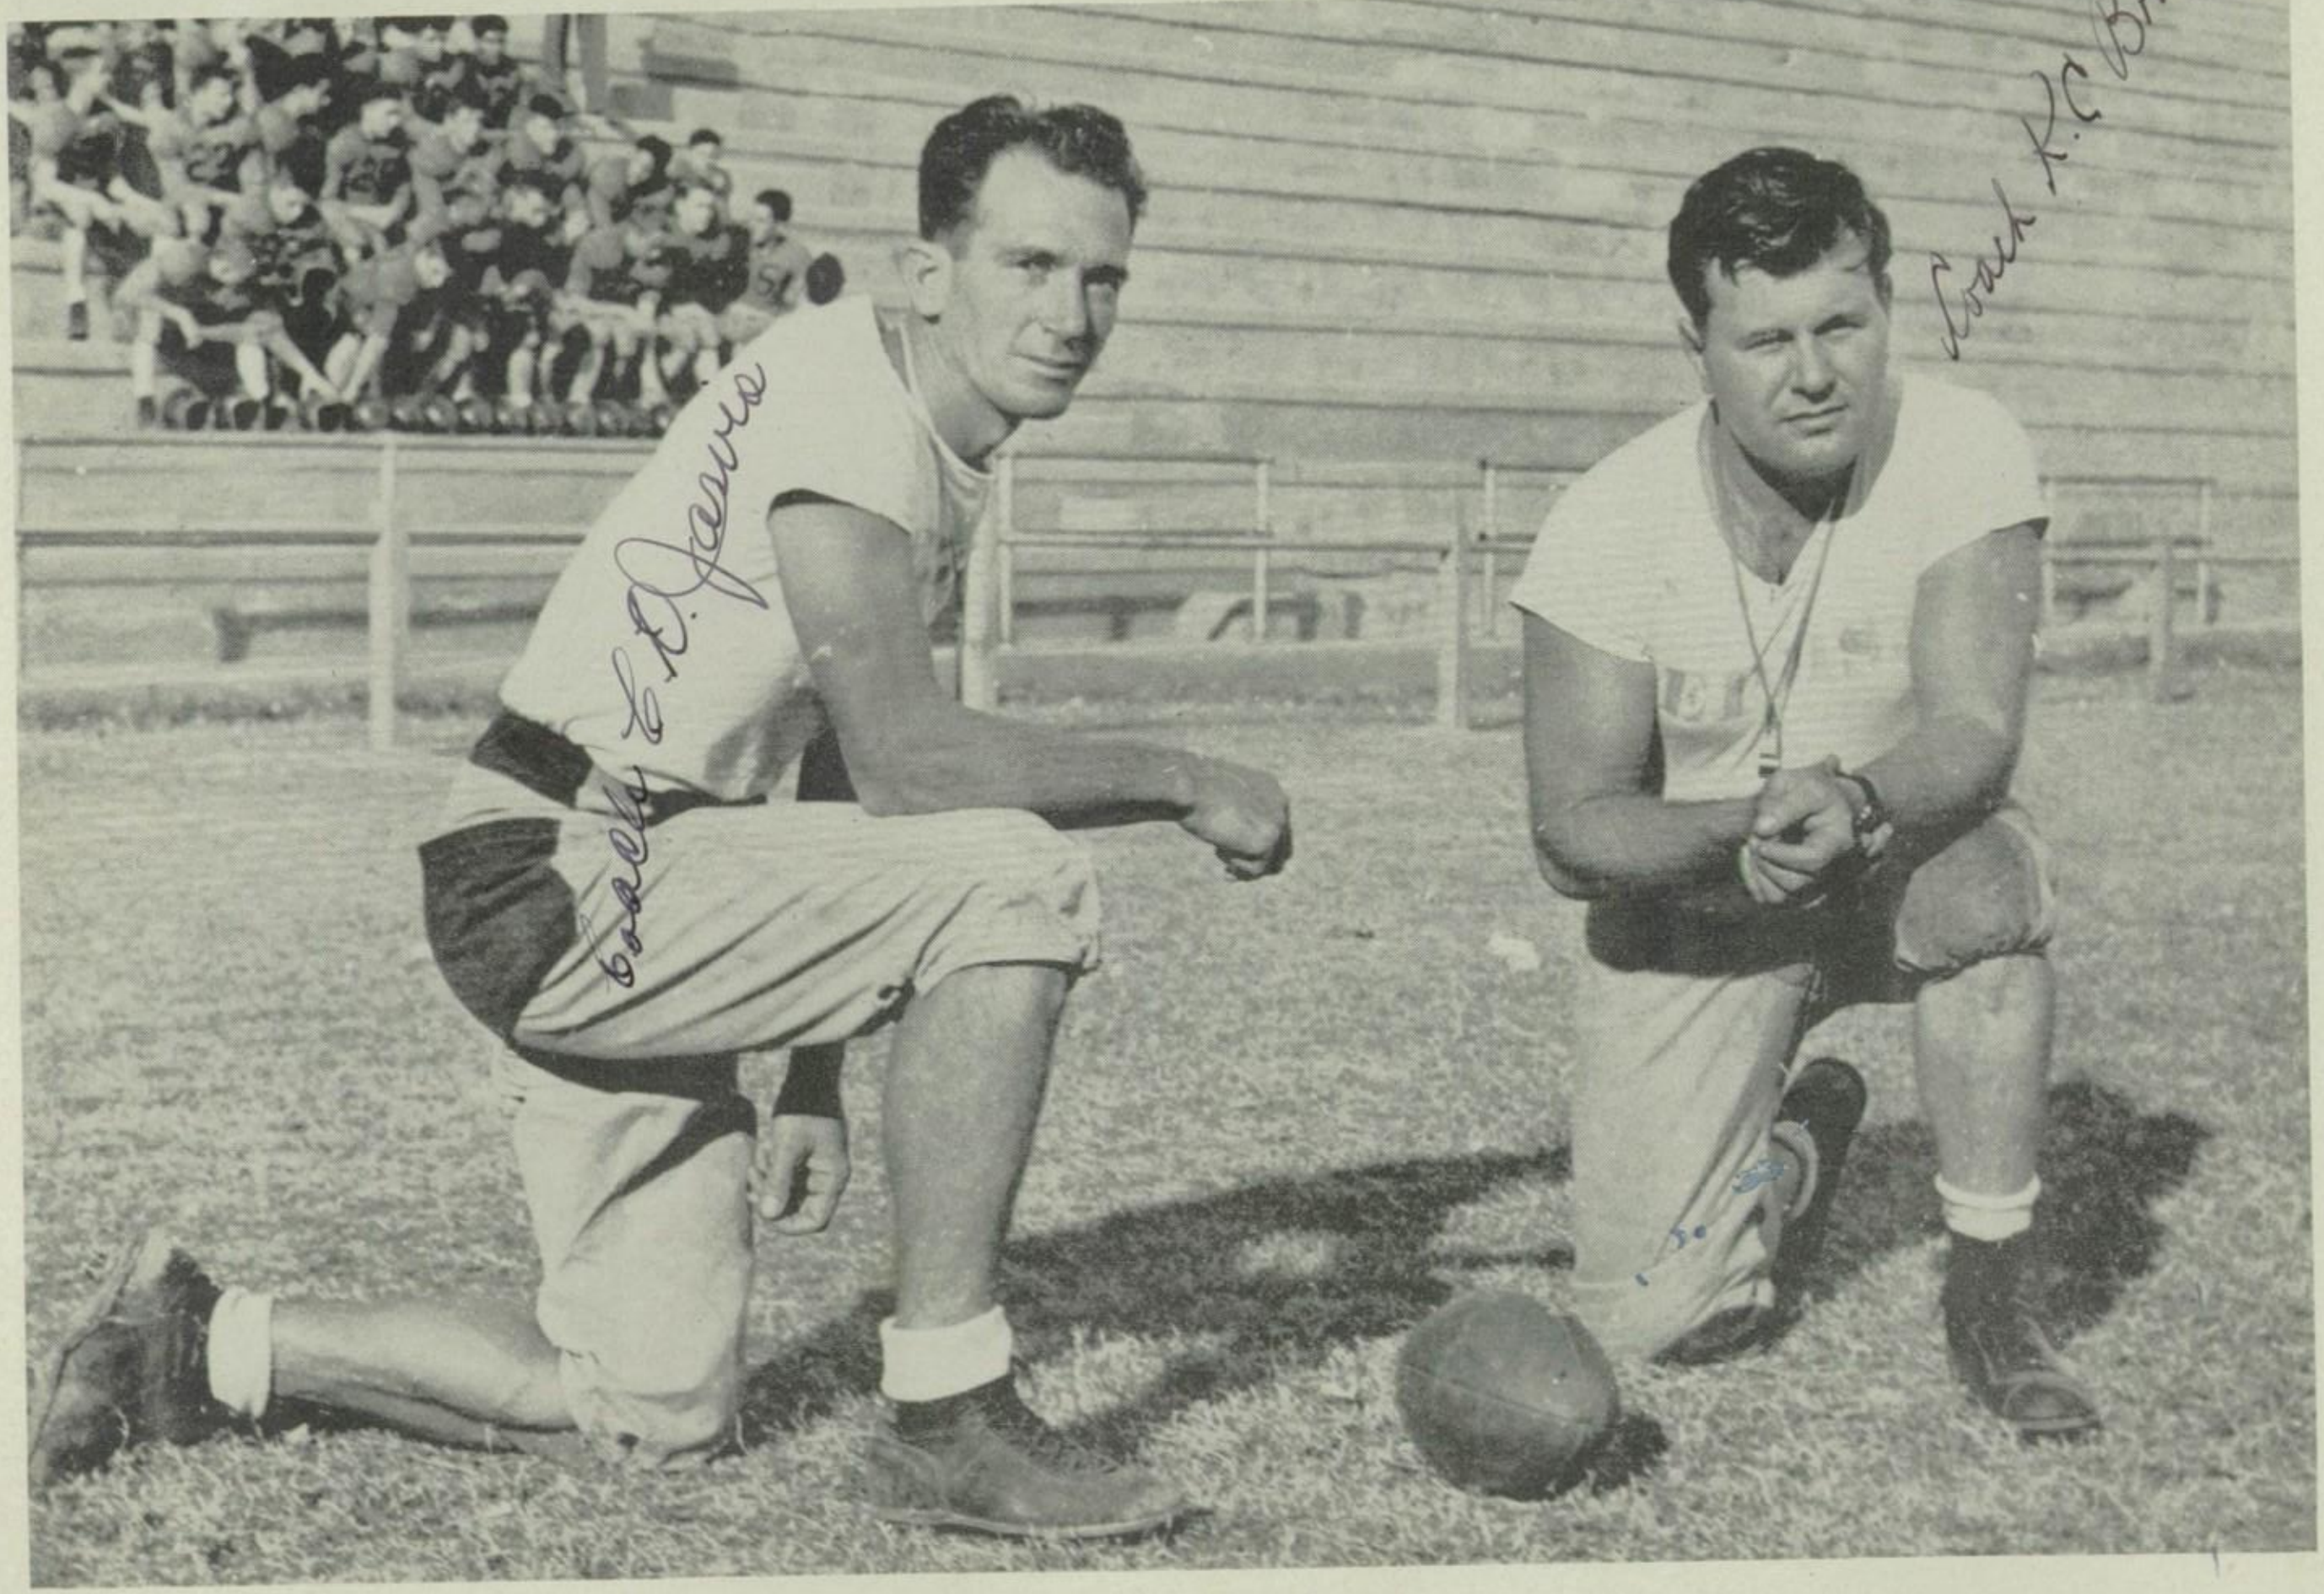
SPORTS

FOOTBALL



Coaches Jarvis and L. C. Browne

JOHN MARGRUDER—Johnnie was hampered by leg injuries throughout the year, but his hard fighting "stick to it" courage overcame these setbacks and he proved to be an important member of the squad.

RUSSELL WATERHOUSE—"Little Itch" was without doubt the hardest hitter on the squad for his size. His agileness in returning punts was a valuable asset in winning the District championship. Russell was co-captain of this year's team.

MORGAN BROADDUS—Morg was one of the hardest fighting linemen on the squad and was one of the reasons for the good line of the team. Morgan has one more year of eligibility and should be one the mainstays in the El Paso line next year.

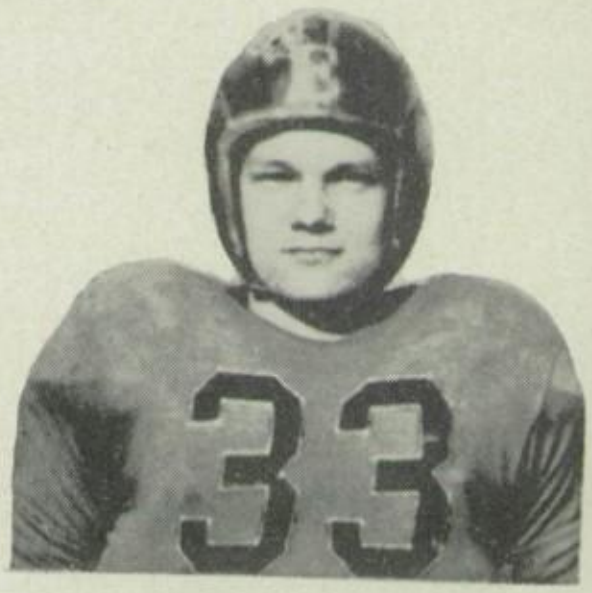
LOUIS DROUTSAS—Louis was the team's hardest charging guard. Louis played well in every contest he was in and always had his share of tackles. Louis also has one more year.

RIGOBERTO ESCARENO—"Tito" was a hard worker and a fine passer. His services will be missed next year.

BILL THOMPSON—Bill was in starting, but by the end of the season he was the second best tackle on the squad. He also earned a place on the All-District team.

ARMANDO VILLAGOMEZ—Armando consistent offensive and defensive playing made one of our most valuable backs this season. Armando has one more year eligibility and much is expected on him.

BILL CHESAK—Co-Captain, sparkplug of the team and all around player "Chess" lead the Tigers to the Bi-District play-off. His tremendous line plunges and outstanding defensive work earned him the most valuable player trophy in the 4AA District and a place on the All-District team.



BOB SQUIRES—"Squeek's" versatile playing terrific tackles hustle and spirit brought him the admiration of all the members of the squad.

JIM DE GROAT—Hailed by some as the best tackle in the state, Jimmy was outstanding at his tackle post. His aggresiveness in every game gained him an All District position as well as a place in the Second team All State.

ART GORMAN—Art was a good defensive man and a fine passer. His excelent playing will be missed next year.

JIMMY FAGER—Jim was the best end in the District. A star pass receiver and a bulwark of line defense, Jim won himself a place on the all-District team.

LOUIS QUIJANO—A terrific kicker and blocker, "Quijo" was outstanding in every game in which he played.

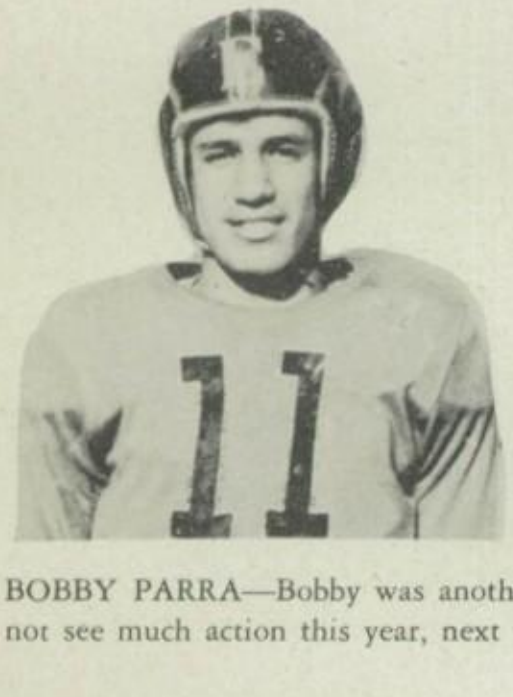
BUD ROLAND—Whenever a tackle was made in the opposition's backfield, chances were that Bud was the cause. His superb playing throughout the season earned him a position on the All-District team.

FRANK RAGO—Frank was a very good defensive tackle and a fine offensive as well. He has completed his eligibility and his services will be missed when football season rolls around next fall.

BILLY MATTHEWS—Bill will always be remembered for his great run in the Phoenix game. Bill was a very good passer. He has one more year of eligibility and should prove to be the sparkling of next year's team.

BRUCE GARDNER—Bruce's pile driving tackles have him the respect and admiration of all his opponents. Bruce has one more year eligibility and should develop into one of the best ends in the state.

JULIO ROJAS—Julio was a very hard and ambitious worker. His fine playing and attitude will be missed next year.



BOBBY PARRA—Bobby was another of the squad's workers. Although he did not see much action this year, next year should see him a fine player.

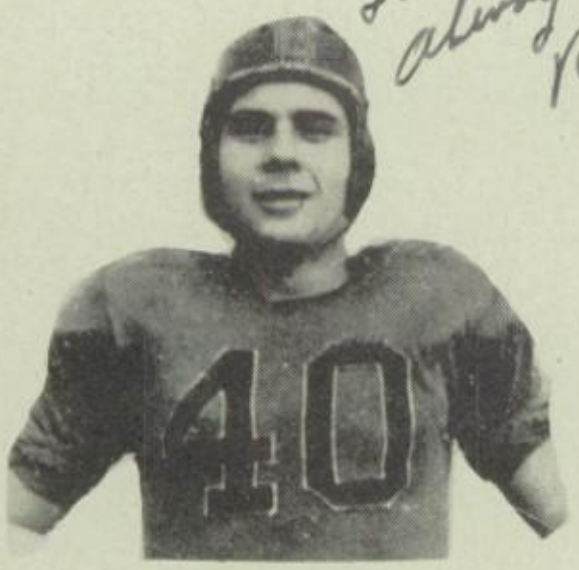
CHARLIE BEN OLNEY—Charlie Ben was one of the hardest workers on the team. He played every position on the team. Charley has one more year of eligibility.

LEE KEILY—"Leaky" was one of the roughest and hardest tacklers on the team. He also played a fine offensive game. Next year he should be one of the outstanding players in the district.

JAMES GIVEN—"Stewie" played his usual goal game at center all season. Jimmy should be one of the best centers in the district should he return as expected.

MITCHELL ABRAHAM—Mitch was one of the largest men on the team and always showed plenty of fight when called upon. Mitch will play next year.

Lots of Luck always Remember Ross



ROSS MANNING—His ability to take it when the going was hard gained Ross the respect of all. He has one more year to play.

VICTOR CHAVEZ—Victor was one of the hardest workers on the squad. Victor's attitude and hard playing proved to be of great value to the team.

JACK EISENBERG—A willing and capable guard, Jack was an asset to Tiger squad.

BILLY WOODS—Bill was a good defense and a good blocker. Bill will be eligible next season and much is expected of him.
